The door is closed
In this house of torment
You cannot see what's here
Inside my dream
I can feel my soul
but you have torn it from me
now there is hate
that rips the life out of me

What's in your eyes
(it's the pain that burns my chest)
What's in your eyes
(it's the wrath that calls your name)
What's in your eyes
(it's the pain that burns my chest)
What's in your eyes

Since you've been gone
I have been filled with sorrow
Beneath the burning sun
I prochain my right
Vengeance lies ahead
It's written in your blood
The time is right
I have to seek my doom

What's in your eyes
(it's the pain that burns my chest)
What's in your eyes
(it's the wrath that calls your name)
What's in your eyes
(it's the pain that burns my chest)
What's in your eyes

8X What's in your eyes

The door is closed
In this house of torment
You cannot see what's here
Inside my dream
I can feel my soul

but you have torn it from me
now there is hate
that rips the life out of me

What's in your eyes
(it's the pain that burns my chest)
What's in your eyes
(it's the wrath that calls your name)
What's in your eyes

8X What's in your eyes
