What's a girl to do? With a boy like you?
What's a girl to do? With a boy like you...(with a boy like)
You love me with your eyes, you melt me with your smile,
and I can't resist you
You always look so cute, your clothes, your attitude
and I just want to kiss you
but dont get so tense when I hang with my friends
'cause it's not makin' sense and it's not like you
What's a girl to do? (tell me what to do) With a boy like you?
What's a girl to do? (with a boy like you, yeah) With a boy like you? (with a boy like)
Who wants to spend from now until the end, of time with me?
I don't wanna fight, I wanna make it right
and I want you to be happy
So don't get uptight if I don't call tonight
'Cause I've got a right, boy, to live my life
What's a girl to do? (what's a girl to do?) With a boy like you? (tell me, tell me what to do)
What's a girl to do? (with a boy like you) With a boy like you? (with a boy like)
(Ah, ah) (boy, boy, boy, like you, Ah)
(Ah, ah) (tell me what to do, what's a girl to do?)
(oh, oh, oh) (oh, oh) What's a girl to do?
(oh, oh, oh) With a boy like you? (with a boy like)
So dont get uptight, if I don't call tonight (ah, ah)
'Cause I've got a right (ah) for to lllliivvvveee (live my own, live my own,
live my own life) my life
What's a girl to do? (tell me what to do) With a boy like you? (with a boy,with a boy)
What's a girl to do? (with a boy like you) With a boy like you? (tell me, tell me, tell me)

What's a girl to do? (tell me what to do) With a boy like
you?
What's a girl to do? (with a boy like you, yeah) (with a
boy like you)With a
boy like, boy like you
eh ha (uh)!...
