[Hook - 2x]

Through good times, and bad times  
Past times, and sad times  
Just let me be, set me free  
While trying to make it, you're trying to take it  
Just let me be, set me free

[Chalie Boy]

I've been living, here for so long  
Now I'm wondering, how I'm living wrong  
In these streets, it feels so right  
People going crazy, under city lights  
But I know one thang, one thing that's for sho  
These streets, won't take my life  
Say you gotta hold on, don't let go  
And way to feel, do what you know  
Just stay strong, keep your head up high  
The real'll be real, while the fake pass you by  
I'm trying so hard, trying to maintain  
It got me confused, messing with my brain  
It seems so funny, no one knew my name  
Still I got a little money, now my people have change

[Hook - 2x]

[Tite]

I've been stressed so long, hard dealing with pain  
Struggling to have something, I weathered the rain  
A young cats with tats, and they told my life  
It's been a long hard road, ery'day it's a fight  
At times I smoke weed dog, life is rough  
I had to wipe my mama's tears, when the times was tough  
Smoked out with no goal, God bless my soul  
Drinking liquor ery'day, just to ease the load  
For every wheel this way, sometimes I pray  
Picture me living in the ghetto, trying to find my way  
But I refuse to quit, heart filled with hope  
I gotta make it out the hood, shit I just can't cope  
Mama your boy grown, so it's time to move on  
Lord knows, all she wanted was a happier home

Mama your boy grown, for you I live on  
Lord knows, all you wanted was a happier home

[Charlie Boy]  
I'll keep, holding on - 4x

[Hook - 2x]
