[Tite]

It's the Tite yeah, my flow is so necessary  
I stay strapped in the hood, these streets is military  
I'm in the drop six, tint is out topless  
With that hot shit, for haters when they pop shit  
With 24's on the side, just like I'm T.I  
We G fly, Dirty 3rd niggaz we high  
I got that bomb weed, greener than a palm tree  
If you block me work, fuck it I'm gon bleed  
I ain't the type that like to stunt, like the Birdman  
I keep it gully for my whole, Dirty 3rd fam  
I ain't a killa my nigga, but don't push that  
My hood raps keep it gutter, bring the hood back  
I'm trying to plot with a plan, to be a rich man  
Since my first flow, I never had to switch man  
It's Charlie Boy and the Tite, your hood superstars  
If it's jamming it's us, you know who we are

(\*talking\*)

Yeah, wanna say what up  
To my dog Charlie Boy, y'all look out  
For his new c.d., Makin' My Way  
It's coming real soon  
It's going down, Dirty 3rd you heard me
