Blind, by TJ Fulfer
To be performed on the Acoustic Sessions CD.

I've seen this all before,
These lifeless strains of
Emptiness have battered
me to the floor.

I've tried to erase
These feelings that
Have left me
Searching for the core.

So please, tell me,
What I don't see.
I need to find a
Center in me
And rip apart the seams
...rip apart my dreams.

Cradle me as I
Weep away the
Fantasies I had
Before my soul faded away

Relentlessly, I step out
Deep within this mystery
Burned with all this hatred
I creep in the shadows of despair.

So please, tell me,
What I don't see.
I need to find a
Center in me
And rip apart the seams!
Please, tell me,
What I cannot see.
I need to find the center in me
And rip apart the seams...
...rip apart my dreams...
...tear apart the scene...

...so...blind...
