You're a junkie for your ladies lead  
You're so addicted that you can't get clean  
And you crave it but it makes you ill  
You can't control it it's doing your head in  
So come on over hear  
It's about time your ass was mine  
Ye can't say no, not untill you've tried it

I cant give you what you want but i give you what you  
need  
I'll take into ya  
I can't give you what you want but i give you what you  
need  
You know you're going to  
Dont be stupid youre hanging on but you know its  
useless  
I cant give you what you want but i gine you what you  
need  
what you need  
What you need is...

You're electric but she leaves you cold  
You need the shock she gives you  
So ya can't let go  
And she's a habit, you learn to take her lip  
And you can't help yourself you gotta scratch that itch...

I cant give you what you want but i give you what you  
need  
I'll take into ya  
I can't give you what you want but i give you what you  
need  
You know you're going to  
Dont be stupid youre hanging on but you know its  
useless  
I cant give you what you want but i gine you what you  
need  
what you need  
What you need is...

Well come on over hear

It's about time i blow your mind  
Ye can't say no not untill you've tried it

I cant give you what you want but i give you what you  
need  
I'll take into ya  
I can't give you what you want but i give you what you  
need  
You know you're going to  
Dont be stupid youre hanging on but you know its  
useless  
I cant give you what you want but i gine you what you  
need  
what you need  
What you need is...  
What you need is this
