He always wears a black suit  
Shining shoes and a hat  
He's an important man in every place  
He's big, he's tough and scary  
All the boys call him daddy  
Don't let him kiss you twice in the face  
If one day that happens to you  
I say: You better run!  
You'll have his men around you everyday  
They'll make you live something different  
With new shoes made of cement  
So if you're a good boy, you're ok!

No!

Stop and drop your weapons  
You're about to know

Mr. Dangerous!  
He has a family  
Mr. Dangerous!  
They came from Italy  
He's big, he's bad  
Everyone calls him Dad!  
He's the most terrible man in history

All around the world he's known as papa  
And all the gangsters give him the respect  
What he wants, you must obey  
And there's nothing you can say  
Don't try to be smart or you'll regret  
So my friend, don't say no to anything he asked  
I'm sure you wouldn't be alive for long  
You don't wanna see him mad  
Or you'll be making your own bed  
And yes, he's right, even when he's wrong

No!

He's the man from M.O.B.

No!

Stop and drop your weapons  
You're about to know

Mr. Dangerous!  
He has a family  
Mr. Dangerous!  
They came from Italy  
He's big, he's bad  
Everyone calls him Dad!  
He's the most terrible man in history  
The most terrible man  
The most terrible man in history
