ooh b-baby
sex on wheelz
i'll turn you on
like a tiger baby
hard body
motor city
love life
i'll take you for a ride
down the mindway baby
be my little human sacrifice
do my kisses burn
do they take your breath
you've got a lesson to learn now
i'm the kiss of death
history is written by winners baby
so let's make a little
of our own tonight
if you're thinkin' my idea of fun
is a drag
then you've never been to paradise
do my kisses burn
do they take your breath
you've got a lesson to learn now
i'm the kiss of death
sex on wheelz
