(Verse 1) Met this bitch named "Kitty" around the way bitch

A nasty hoe that every nigga don hit

But it's cool though

I'm in it to use the hoe

To hook me up wit her brotha get tha dope and tha coke

You know, Uh-Huh brother-in law type shit

Get cool wit tha nigga then you know I'm all in

Now he breakin me off, and putin me on my feet

But I got this funny feeling that the nigga playin me

Ten ounces a week! All this shit in my house

I'ma play it like he play it know what I'm talkin' about

I ain't given him shit, now nigga do somem

Heard he was a hoe so he ain't gone do nuthin'

Kitty say I'm down bad so I smacked tha bitch

She ran upstairs and got on tha phone quick

And called her brotha, and now he pissed off

What Would You Do? What Would You Do Dog?

(No Chorus)

(Verse 2) Nigga don plotted

Break in my crib tryin' get me I'm in tha closet

Hopin' and prayin' that they don't find me

I got a thirty-eight wit only two bullets in it

Two niggas what I'ma do I gotta thank quickly

Should I run and try to get away,

Should I stay try to shoot both of em in tha head or tha legs

Man I'm all fucked up stuck like chuck dog

And these niggas really tryin to bust me up dog

I swear if I live through this

Her brotha and his boy gon get killed fa this

And I put that on everythang you could believe that

Gon get all of these bullets they gotta bleed fa that

Playin' wit me Un-Un I ain't havin' it

On the farizneel I ain't havin' it

Stupid bithches ain't even check tha closet
I'ma start ridin'
What Would You Do?
(Verse 3) Let my momma and my brotha see tha car
for tha day
Not thankin' these niggas gon run up wit the "K"
Lookin' for me, talkin' bout I owe them somem
Now if they want to they could wack mom's and my
brotha
In broad daylight, these niggas playin' it raw
Handilin' my folks wit the gun in tha car
All that dope so you know that they don't give a fuck
Make one false move and know ya stuck
My people scared as hell all because of me
Owein' these niggas for tha last past week
And they tired of waitn' and they want do somem
Either they get they ends or they gon shoot somem
I gotta do somem real, real fast
Before it's too late and I hear that gun blast
Can't happen like that
What Would You Do?
What Would You Do If That Happened To You?

(Beat fades)
