Now I know that we are gonna stay together
I'll be hanging 'round and wait for better weather
People telling me I'm gonna be just fine now
Now I know that everything will be alright
Be alright, be alright, be alright

Suddenly my heart goes boom
Babe when you're walkin' out the door
Hey have I seen you here before
Na na na na na na boom boom
When you're in my room
Now that you're sitting on my bed
We're doing AA in my head
Na na na na na na we will be alright
Be alright, be alright, be alright

Boy I'm walking round trying not to loose it
People saying that I got to face the music babe
Hey I'm telling you I got you in my sight
Now I know that everything gonna be alright
Be alright, be alright, be alright

Suddenly my heart goes boom
Babe when you're walkin' out the door
Hey have I seen you here before
Na na na na na na boom boom
When you're in my room
Now that you're sitting on my bed
We're doing AA in my head
Na na na na na na
Na na na my heart goes boom
When you're in my room

My heart goes boom
Now that you're sitting on my bed
We're doing AA in my head

Na na na na na na na na na na na na na na na
Boom boom when you're in my room
Na na na na na na na na na na na na na na na
We will be alright

My heart goes boom
Babe when you're walkin' out the door
Hey have I seen you here before
Na na na na na na boom boom
When you're in my room
Now that you're sitting on my bed
We're doing AA in my head
Na na na na na na
Na na na my heart goes boom
