Let me see your, your dir-dir-dirty hands  
Let me see your, your dir-dir-dirty hands

I came here tonight to get a little high  
So you better make sure you all gonna bring it alright  
If you ain't got a man make sure the whole club will  
know  
And if you ain't got a girl, it's time to get on the floor

Put your hands up in the air, put your hands up in the  
air  
Put your hands up in the air, put your hands up in the  
air  
Put your hands up in the air, put your hands up in the  
air  
Put your hands up in the air, put your hands up in the  
air

Put your hands up  
Now let me see your dirty hands, oh oh oh  
Do a dance, here's your chance, oh oh oh

Let me see your, your dir-dir-dirty hands  
Let me see your, your dir-dir-dirty hands

Forget about your worries, it's time to let them go  
What happens in, stays in, no one else has to know  
'Cause there's a part of you, side of you and is dying to  
get out  
And I can tell by the look in your eyes what you're  
thinking about

It's time to get down and dirty tonight  
Like a game of truth and dare  
So if you're single, let it show  
Put them dirty hands right in the air

Let me see your, your dir-dir-dirty hands

Put your hands up  
Now let me see your dirty hands, oh oh oh

Do a dance, here's your chance, oh oh oh

I need you closer, I wanna feel your heat  
I want what you want, so get up on the beat  
[x2]

Put your hands up  
Now let me see your dirty hands, oh oh oh  
Do a dance, here's your chance, oh oh oh

Nobody's watching, maintain off the lights  
It's so whatever, just do what you like  
Knows I'm for thinking go out of your mind  
Show me how dirty your hands are tonight

Let me see your, your dir-dir-dirty hands
