Ladies and gentlemen,
The Teeny Little Superguy.
Chorus:
Teeny Little Superguy!
Pops right up before your eye!
He's no bigger than your thumb!
Teeny Little Superguy:
Snap your fingers -- here I come!
Now stop me if you've heard this one...
Chorus:
Don't look in the sky!
Don't look in the sea!
He's inside of you and me!
Teeny Little Superguy:
Did I ever tell you about the time...?
Chorus:
You can't tell a hero by his size!
All:
I'm just a Teeny Little Superguy!
Teeny Little Superguy:
Oh, yeah!
