You say I'm not smart enough babe You say I'm only good to laugh You think I can't make my way You won't live in misery you say! But you should be ashamed baby, Cause I believe in me. Life is not only wealth (you know), You should be thinking about mental health! Dont't evaluate my intelligence in money I worth much more than you honey, Anyway you should be ashamed baby, Cause I believe in me. I believe to my sould You oughta know baby, That I believe in me You say I'm not smart enough babe You say I'm only good to laugh You think I can't make my way You won't live in misery you say! But you should be ashamed baby, Cause I believe in me.
