She's standing on a corner

Next to a store

Where people are going

To get hardcore

The young girl is freezing

She's standing alone

Waiting for some guy

To take her home

She

Has

Come to be

A thing

That

She don't wanna be

No education

She dropped out of school

Meet the wrong people

Got used as a tool

And now she's walking

The streets up and down

Convinced in her mind

The good times will come

She

Has

Come to be

A thing

That

She don't wanna be

Cause she

Has

Turned to be

An Underdog

In the society

And now she goneâ€¦
