At this chapter I will tell you how it is  
I'm starting to lose myself and losing my believes  
Why ain't someone telling me who I should be  
I will be around this place  
(I'll be here to the end)

On and on  
Sitting by the sea, at the horizon  
I move on  
I am strong  
Nothing here can break me down  
I'm the hero of my own

All I want is to hear my songs on the radio  
Just sing along, just live my life  
(But now it all is gone)

On and on  
Sitting by the sea, at the horizon  
I move on  
I am strong  
Nothing here can break me down  
I'm the hero of my own

Ough!

The night has come  
To an end  
A new day is here  
COME ON!

On and on  
Sitting by the sea, at the horizon  
I move on  
I am strong  
Nothing here can break me down  
I'm the hero of my own

On and on  
Sitting by the sea, at the horizon  
I move on

I am strong  
Nothing here can break me down  
I'm the hero of my own

Eough!
