I remember all the nights I've spent with you  
Walked out side watched the planes fly  
Do you remember all the sound effects we did to  
everything  
Yeah they always ended up with comical laughs

Wait my dear  
I'm sorry (Stay With Me)  
I am nothing without you (Please say your words)  
Give me one last chance(I am begging you)  
I miss you

I can hear voices singing my anthem tonight  
Thank you is my last word  
Stars won't shine for me anymore  
But I won't forget our phonecalls  
I wish I can turn  
To make every second last  
When we were ourselves  
I do anything to see your face again  
(Even if its killing me)

Wait my dear  
I'm sorry (Stay With Me)  
I am nothing without you (Please say your words)  
Give me one last chance(I am begging you)  
I miss you, I miss you

I can't even breath  
It was you and me  
I can't even breath  
It was you and me

Stay  
With

Stay  
With  
Me

Wait my dear

I'm sorry (Stay With Me)  
I am nothing without you (Please say your words)  
Give me one last chance(I am begging you)  
I miss you, I miss you
