Chur! Woo! Mmm

So you brush up your stuff too as they take him higher
But they always try to water out his fire
He was a desperado, whoa
Trying to kill my flow - No! Mmm
He was a desperado, whoa
Trying to grab a hold - Woo! Mmm

And so the single man, he looks out from his window
As he takes another swig from his whiskey bottle
He was a desperado, whoa
Trying to grab a hold - Woo! Mmm
He was a desperado, whoa
Trying to kill my flow - No, no, yeah

Say, whoa, what is there left to do, yeah - Ooh! Oh,
yeah, yeah
Maybe his luck, it will change through - Ooh!
Well, he took-a one step forward, two steps back
Well, they're mad that we said that he ain't worth jack -
Oh, no, no
Well, he took-a one step forward, two steps back
Well, they're mad that we said that he ain't worth
jack - No, no! Ooh! Chur!

Mmm

And so the single man, he looks out from his window
As he takes another swig from his whiskey bottle
He was a desperado, whoa
Trying to kill my flow - No, you don't
He was a desperado, whoa
Just trying to grab a hold - Yeah, ooh

Say, whoa, what is there left to do, yeah - Ooh! Oh,
yeah
Well, maybe his luck will change through - Ooh!
Well, he took-a one step forward, two steps back
Well, they're mad that we said that he ain't worth
jack - Oh, no, jack-sh*t! Whoa, yeah

Well, he took-a one step forward, two steps back
Well, they're mad that we said that he ain't worth jack -
Oh, no, no, yeah
