This girl cold dissed me, man, cause I didn't have on
no gold, man [Ice-T] Are you serious man?! That's

Went to a party, freaks on the wall DJs and Emcees and
everybody was havin' to ball And as I walked through
the party my mind flipped I left my gold at home and I
tripped Goupies, skeezers, girls glore Everybody was
movin' the body on the dance floor Looked on the
stage, two guys there were rappin' Gold around their
neck, this DMC stuff is happenin' Looked to my left,
spotted a freak I mean man.. she looked that good,
that I was scared to speak My homeboys, they begin to
brag Put your money on the table, would you go for my
drag? I said: honey hi!, I wish I was you, so I can make
love to me She said: you serious? I said: yes, my name
is T&T, She cold dissed me, wouldn't give me respect
No golds on my neck, I need a Rolex [Hook: Mix Master
Spade] I need a rolex.. I need a rolex.. If you got the
time, I got the time.. [Verse 2: Toddy Tee] That's right, I
said Rolex, you heard it my friend What did it cost? --->
King TEE Put it like this, I could've bought a Benz But I
said to myself, I need to look up class I need somethin'

Salavix, this saleslady: said what's up? I said: yo, I
need the whole damn hook up 18K, bought a watch and
chain And a necklace with diamonds and grayed with

mall I shopped at the and bought me a bunch of dress
codes Gorche and Slacks, I won't wear a Vila, too many
people wears that Now, I'm drapped in my Alligator

the time, I got the time.. [Verse 3: Toddy Tee] Now, I'm
back at the party A week later they let me through the
doors My Alligator Shoes, cause I screwed, the people
drool And the guys in the back are sayin: You're so cool

Now, I'm standin' on stage, hands gripped on the mic
Rolex shinnin' and blindin' them in the light And as I
rocked them and begin to shout Yo T man, you looked
pimped out So I said: yo thank you, my show is about to
over They said we want more, so I looked over my
shoulder And there she was starin' in my eyes Ms.
material girl, was hypnotized By my jewelry, I couldn't
understand I knew right then, the Rolex was in
command She said: I love you with all respect There's
no gold on your neck, girl, you need a Rolex [Hook: Mix
