Your psychic little princess had a dream about me the
other day
She said that i was laughin because you were dead

What a witch i am
What a witch i am
What a witch i am
What a witch i am

You crush me to little pieces
When you roled over and said
That you didn't trust me and you never did

When did i lie?
When did i lie?
When did i lie?
When did i lie?

Who's side are you on anyway?
Who's side are you on anyway?
Who's side are you on anyway?
Who's side are you on anyway?

I bet she left ya thinkin that you might come back again
I bet she left ya thinkin that you were right all along
What defense do i have against your intuition
And her extrasense?
What defense do i have against your out of body
experiance?

What a witch i am
What a witch i am
What a witch i am
What a witch i am

Who's side are you on anyway?
Who's side are you on anyway?
Who's side are you on anyway?
Who's side are you on anyway?
Who's side are you on anyway?
Who's side are you on anyway?

Who's side are you on anyway?
Who's side are you on anyway?
Oh oh oh oh oh

I had a dream about your and your princess the other
day
You and her were laughin because i was dead.
