Remember when I met you  
I just had to make you mine  
I tried to tell you how I felt  
But the words didn't come out right  
Sometimes I think I'm crazy  
But I know I'm not a fool  
I saw the look deep in your eyes  
I must get through to you  
Don't you know that I'm holding on to a dream  
And I just can't let you go  
You're the one and I just can't let you go

Chorus:

Girl, I can't go on without your love  
Tell me if I'm guilty  
It's you that I've been searching for  
It's you that I adore  
Repeat (1x)

At night I get so lonely  
But I keep the pain inside  
I try to keep my feelings in  
But they're getting hard to hide  
Sometimes I try to tell you  
But it's harder everyday  
I think that you can feel it too  
If I could only say  
Don't you know that I'm holding on to a dream  
And I just can't let you go  
You're the one and I just can't let you go

Chorus (4x)
