Are you the one?

The traveller in time who has come

To heal my wounds to lead me to the sun

To walk this path with me until the end of time

Are you the one?

Who sparkles in the night like fireflies

Eternity of evening sky

Facing the morning eye to eye

Are you the one?

Who'd share this life with me

Who'd dive into the sea with me

Are you the one?

Who's had enough of pain

And doesn't wish to feel the shame, anymore

Are you the one?

Are you the one?

Who's love is like a flower that needs rain

To wash away the feeling of pain

Which sometimes can lead to the chain of fear

Are you the one?

To walk with me in garden of stars

The universe, the galaxies and Mars

The supernova of our love is true
