"Fishin Pole"

I'm goin' fishin' baby, and I've got a long long pole
Yes I'm goin' fishin' baby, and I've got a long long pole
Fishin' with you baby, in a very deep hole

Throw my line in baby, and sink it deep
Throw my line in baby, and sink it deep
And everything be all reet

Now look at my pole baby, it's jumpin' up and down
Now look at my pole baby, it's jumpin' up and down
Come on and fish woman, and stop your messin'
around

Pull your line hard baby, so that fish won't get away
Pull your line hard baby, so that fish won't get away
If you don't catch him baby, we'll fish some other way
