

You Say Party! We Say Die! "Dancefloor Destroyer"

When I look in your eyes
Your eyes are my eyes
We are spinning planets
Sometimes we collide

There is one way
There?s only one thing you can say about it
Can you tell me why I need to destroy
Destroy, destroy?

Clean out the letters
In between your tears
Wash away the aftertaste
You?re a cheat, a cheat, a cheat

To yourself and all the ones you held
Left nothing around on the ground
This is your defeat
This is your defeat

Take off your armor
Take off your clothes
All that you were after
Is dust not gold

Not so full of rapture
All your talk of old
Your tongue's a foreign dialect
Won?t free me in my soul

When I look in your eyes
Your eyes are my eyes
We are spinning planets
Sometimes we collide

When I look in your eyes
Your eyes are my eyes
We are spinning planets
Sometimes we collide

When I look in your eyes
When I look in your eyes

When I look in your eyes
When I look in your eyes
Your eyes, your eyes, your eyes
