You said you needed me
But I don't need you
You said you wanted me
But I don't want you

Just be my friend, yeah yeah
Just be my friend, yeah yeah
Just be my friend, yeah yeah
Just be my friend

Just be my friend, yeah yeah
Just be my friend, yeah yeah
Just be my friend, yeah yeah
Just be my friend

You said you're the one for me
But I don't think so
You said you'd wait for me
But I can't wait for you

Just be my friend, yeah yeah
Just be my friend, yeah yeah
Just be my friend, yeah yeah
Just be my friend

Just be my friend, yeah yeah
Just be my friend, yeah yeah
Just be my friend, yeah yeah
Just be my friend

If I really mattered to you
(You say, yes I say)
You would get a pen and some paper
(You say, yes I say)

You would write me a poem or paint me a picture
(You say, yes I say)
Maybe make up a song or write me a letter
(You say, yes I say)

But you're just a friend
(You say, yes I say)

You're just a friend
(You say, yes I say)

You're just a friend
(You say, yes I say)
You know, just a friend
(You say, yes I say)

Just be my friend, yeah yeah
Just be my friend, yeah yeah
(You say, yes I say)
Just be my friend, yeah yeah
Just be my friend
(You say, yes I say)

Just be my friend, yeah yeah
Just be my friend, yeah yeah
(You say, yes I say)
Just be my friend, yeah yeah
Just be my friend
(You say, yes I say)

You said you wanted me
(Just be my friend, yeah yeah)
You said you needed me
(Just be my friend, yeah yeah)

You said you wanted me
(Just be my friend, yeah yeah)
You said you needed me
(Just be my friend)

You said you wanted me
(Just be my friend, yeah yeah)
You said you needed me
(Just be my friend, yeah yeah)

You said you wanted me
(Just be my friend, yeah yeah)
You said you needed me
(Just be my friend)

You said
(Yes, I said)
You said
(Yes, I said)

You said
(Yes, I said)
You said
(Yes, I said)

You said
(Yes, I said)
You said
(Yes, I said)
