The gap, the gap, the gap, the gap, the gap, the gap,  
the gap, the gap  
Between the rich and the poor, the poor, the poor, the  
poor, the poor,  
the poor, the poor, the poor, the poor, the poor, the  
poor (x2)

All the odds get broken to these fairs  
We won't just sit back, kick back and stare  
At the problems that we all share

The gap, the gap, the gap, the gap, the gap, the gap,  
the gap, the gap  
Between the rich and the poor, the poor, the poor, the  
poor, the poor,  
the poor, the poor, the poor, the poor, the poor, the  
poor (x2)

Gonna take 'em down  
Gonna take 'em down  
Gonna take 'em down in numbers one by one (x3)

Down, down the intelligence that people seperated

Gonna take 'em down  
Gonna take 'em down  
Gonna take 'em down in numbers one by one

Down, down the intelligence that people seperated

We're gonna take 'em down  
Gonna take 'em down  
Gonna take 'em down in numbers one by one

Down, down the intelligence that people seperated

The gap, the gap, the gap, the gap, the gap, the gap,  
the gap, the gap  
Between the rich and the poor, the poor, the poor, the  
poor, the poor,  
the poor, the poor, the poor, the poor, the poor, the

poor

All the odds get broken to these fairs  
We won't just sit back, kick back and stare  
At the problems that we all share

The gap, the gap, the gap, the gap, the gap, the gap,  
the gap, the gap  
Between the rich and the poor, the poor, the poor, the  
poor, the poor,  
the poor, the poor, the poor, the poor, the poor, the  
poor
