I really can't stay - But baby it's cold outside
I've got to go away - Oh, baby it's cold outside
This evening has been - Been hoping that you'd drop in
So very nice - I'll hold your hands, they're just like ice
My mother will start to worry - Beautiful, what's your
hurry
My father will be pacing the floor - Listen to that
fireplace roar
So really I'd better scurry - Oh beautiful, please don't
hurry
Maybe just a half a drink more - Why don't you put
some records on while I pour

The neighbours might think - Oh baby, it's bad out
there
Say, what's in this drink - There's no cabs to be had out
there
I wish I knew how - Your eyes are like starlight now
To break this spell - I'll take your hat, your hair looks
swell
I ought to say no, no, no, sir - Mind if I move a little
closer
At least I'm gonna say that I tried - What's the sense of
hurting my pride
I really can't stay - Baby don't hold out
Ahh, but it's cold outside

I simply must go - Oh baby, it's cold outside
The answer is no - You know it's cold outside
This welcome has been - I'm lucky that you dropped in
So nice and warm -- Look out the window at that storm
My sister will be suspicious - Oh, your lips are delicious
My brother will be there at the door - Like waves upon a
tropical shore
My maiden aunt's mind is vicious - Oh, your lips look
delicious
Well maybe just a cigarette more - Never such a
blizzard before

I've got to go home - Oh, baby, you'd freeze out there
Say, lend me your comb - You know it's up to you

knees out there
You've really been grand - I thrill when you touch my
hand
But don't you see - How can you do this thing to me
There's bound to be talk tomorrow - Making my life
long sorrow
At least there will be plenty implied - If you caught
pneumonia and died
I really can't stay - Get over that old out Ahh, but it's
cold outside
