Last night, all hope was gone  
For opening up the big door,  
Till Frodo guessed the word "Mellon",  
Stupid hobbits and riddle lore.  
I kept my cool, I ain't no fool,  
Let me tell you What happened then  
A monster chased us all inside,  
And I ain't comin' out again.

We'll take the Ring through Moria,  
The ancient dwarven hall,  
Gimli says he's comin' home,  
But I'll be taking a fall.  
We'll take the Ring through Moria,  
Cut the tension with a knife,  
Gonna battle with a Balrog,  
I've gotta start a new life.

There were Seven Rings for the Dwarven kings,  
Nine for Men, no doubt,  
Three the Elves put on the shelves,  
And the one that the book's about.  
Was I so wrong to fight Sauron  
Alone for all these years?  
Saruman, my friend, has made me cry,  
So now I'm his Pal-in-tears.

We'll take the Ring through Moria,  
We'll be passing Balin's Tomb,  
Gotta throw the One Ring  
Into the crack of Mount Doom.  
We'll take the Ring through Moria,  
We'll fight a zillion orcs,  
If they're so tough, how come they lose  
To Merry and Pippin, those dorks?

When a wizard studies Sauron  
In a dusty old museum,  
He misses things besides the Rings,  
Hey, I Gollum as I see 'em  
I never really noticed

That Arwen's so damn hot.  
It just so happens Aragorn's not here --  
Would you like to -- oh. Maybe not.

We'll take the Ring through Moria,  
We'll hope we don't get lost,  
Gimli's looking nauseous,  
There's a real dwarf toss.  
We'll take the Ring through Moria,  
I've got to lose a fight,  
When I boogie with a Balrog,  
But I'll be Gandalf the White.
