Oh Muse  
You were so broken hearted  
And everytime I tried to say your name would fade  
Well even heroes have their heroes  
and I hope you come around  
We miss you

Let's be witty, let's be tragic  
Let's be all hopeless romantics  
Sing a song about the hearts  
We've longed and yearned for  
Well I'm not trying to win you over  
Yet explain why my hearts sober

(chorus)  
'Cause everyone just wants to be the wanted  
and everyone gets caught if they're not cautious  
I'm tired of this game we play  
where all the rules can break so easily  
You got me

Oh Muse (oh muse)  
Heard about your troubles  
And you were stuck, said one friend of a friend  
What I'm missing most  
Is your persistent ghost  
Of who you were before you  
turned around and left me

'Cause I'm sober now  
In love we're already dead but living somehow  
Well I'm sending out an S.O.S.  
in your distress  
So come home

(chorus)  
'Cause everyone just wants to be the wanted  
and everyone gets caught if they're not cautious  
I'm tired of this game we play  
where all the rules can break so easily  
oh, so easily

Oh Muse (oh muse)  
You were so broken hearted  
And everytime I tried to say your name would fade  
Well even heroes have their heroes  
and I hope you come around  
We miss you

'Cause I'm sober  
(so broken hearted)  
Yeah I'm sober  
(everytime I tried to say your name would fade)  
Yeah it's over  
(even heroes have their heroes,  
sure would hope you'd come around  
I miss you)
