This one's for the rebels with a cause  
Close with the snobs you gonna need to punch a nose  
This one's for the good old boot boys  
We gonna carry on and make some noise  
We wont change the world but we stand proud  
We wont change the world but we dont care  
Runnin trough the backstreets of this dirty old town  
We shout it out: We're kings without a crown

This one is for our mates in town  
You know we wont be trecked down  
This one's for our true friends  
The hope you show will never end  
We wont change the world but we stand proud  
We wont change the world but we dont care  
Runnin trough the backstreets of this dirty old town  
We shout it out: We're kings without a crown  
Runnin trough the backstreets of this dirty old town  
We shout it out: We're kings without a crown

This one's for the rebels with a cause  
Close with the snobs you gonna need to punch a nose  
This one's for the good old boot boys  
We gonna carry on and make some noise  
We wont change the world but we stand proud  
We wont change the world but we dont care  
Runnin trough the backstreets of this dirty old town  
We shout it out: We're kings without a crown  
Runnin trough the backstreets of this dirty old town  
We shout it out: We're kings without a crown

Can you hear, can you hear us  
Can you hear us sing SKINHEAD (x4)

We wont change the world but we stand proud  
We wont change the world but we dont care  
Runnin trough the backstreets of this dirty old town  
We shout it out: We're kings without a crown

Runnin trough the backstreets of this dirty old town  
We shout it out: We're kings without a crown (x3)
