(What is this shit?
Vegetables and pasta sauce
You know, I used everything we had)

Pizza is my favorite food
It's just a heavenly bless
I love pizza, Im so cool
It just best of things
'cause any time
Day or night
You can get a pizza
After a game, after a fight
Enjoy a pizza

Pizza is the best thing I know
And it's worth dying for
Pizza rules because it gives strength
And every day I eat a pizzaslice
'cause any time
Day or night
You can get a pizza
After a game, after a fight
Enjoy a pizza

Pizza is my favorite food
It's just a heavenly bless
I love pizza, Im so cool
It just best of things
'cause any time
Day or night
You can get a pizza
After a game, after a fight
Enjoy a pizza

(Bloody warm crap!)
