Spoken:

"Men! They know nothing! Never have and never will do!"

She won't live your boring life
She'll never be your house wife
And there's nothing you can say
She'll always have it her way
She can be charming
She can be mean
And can't you see
She's the pride of our scene
She, she's a queen
She's the pride of our scene
She, she's a queen
She's the pride of our scene
She couldn't care less about high-street fashion
It's not easy to awake her passion
Baby, show me all them tattoos
Aah, what would I do without you
She can be charming
She can be mean
And can't you see
She's the pride of our scene
She, she's a queen
She's the pride of our scene
She, she's a queen
She's the pride of our scene

Spoken:

"Men are born children and they stay children
They scream and shout and boss people around
They think they're in control
But they don't know the half of it"

She, she's a queen
She's the pride of our scene
She, she's a queen
She's the pride of our scene
She won't have your boring life
She'll never be your house wife

And there's nothing you can say
She'll always have it her way

She can be charming
She can be mean
And can't you see
She's the pride of our scene
She, she's a queen
She's the pride of our scene
She, she's a queen
She's the pride of our scene

Spoken:
"All they got is words
Well, I got words too:
Bollocks to the lot of you!"
