I still remember the days on the road with the boozing  
crew and me  
Every evning getting pissed in pubs, throwing up in a  
foreing country  
And anywhere I ley my head I'm gonna call my home  
But it's always someone who wants a punch up  
Why, because I dont know  
But I say, see this boots with the long laces  
We gonna stamp them on your shiny faces

And anywhere we have a laugh  
Anywhere we hang around  
There's always someone who wants a punch up  
Who wants to knock me down  
As long as I got inner strenght  
You see me curling into a fist  
I'm gonna stand strong and prou and thats the way it is  
And I say, see this boots with the long laces  
I'm gonna stamp them on your shiny faces  
I say, see this boots with the long laces  
We gonna stamp them on your shiny faces

Boots with long laces  
We gonna stamp them on your shiny faces (x2)
