Come on your crop head boys
Let's see you dance
Oi oi oi

You better do it now
It's your last chance
Time to stop judging us
And our beat
Oi oi oi

And who knows
This might be our last date
Come on and rock your legs
Just move your feet
Oi oi oi

Let's see you dance to the sound of the streets
We'd try to do some oi
Now what do you think
Oi oi oi

Let's have a laugh and another
Another drink
And this the boot chant
And this the boot chant

Come on your crop head boys
Let's see you dance
Oi oi oi

You better do it now
It's your last chance
Time to stop judging us
And our beat
Oi oi oi

And who knows
This might be our last date
And this the boot chant
And this the boot chant
And this the boot chant
And this the boot chant
