Your backs against the wall  
There's no one home to call  
you're forgetting who you are  
you can't stop crying  
It's part not giving in  
and part trusting your friends  
you'll do it all again  
and i'm not lying

standing in the way of control  
yeah live your lives  
by the only way that you know, know.

I'm doing this for you  
because it's easier to lose.  
and it's time to face the truth  
when you think you're dying  
It's part not giving in  
and part trusting your friends  
you'll do it all again  
but you don't stop trying.

standing in the way of control  
yeah live your lives  
by the only way that you know, know.

standing in the way of control  
we live our lives  
because we're standing in the way of control  
we either live our lives  
because we're standing in the way of control  
we live our lives  
because we're standing in the way of control  
we either live our lives, lives, lives.
