[Verse 1:]

The day You came and found me I was lost inside.
You called me from my darkness into Your light.
I thought the times I trusted was all the time I wasted,
but Jesus You're so faithful and now I can say:

[Chorus:]

That all I am is Yours!
All I am is Yours!

[Verse 2:]

I can hear You clearly.
Now I understand. I heard You call my name and I know
it's for real.
You took the pain inside me for all the light inside You.
And You became my reason! Now I can say:

[Chorus:]

That all I am is Yours !
All I am is Yours!

[Bridge:]

I can't spend another day away from Your heart!
I can't spend another day away from You!

[Chorus:]

'Cause all I am is Yours!
All I am is Yours!
