Verse 1:

Take my heart my soul, Lord  
All I am  
I surrender  
Shape my mould me use me  
As You can  
This is what I am  
Father let me serve

Chorus:

Always forever  
I'll place my life within Your hands  
Lord I'm Yours  
Always Forever  
You'll be the rock on which I stand  
You are everything to me

Verse 2:

All my hopes my dreams  
I lay them down  
Here before You  
May my life fulfil  
All You have planned  
It's my purpose  
Father let me serve
