Verse 1:

Our position as a Christian  
Is to make a righteous decision  
We are a generation rising with God's vision  
We need obedience to choose  
To serve the Man  
Jesus is our Lord and he's got our plan  
So it's up to us to make a stand  
And it's time to see  
A Godly revolution  
Stop sinning 'cause it's causing much pollution  
It's only Jesus Christ the way  
The truth and solution  
We must die to ourselves  
To find that life filled with Christ  
All your sinning and your lying  
Your cheating must cease  
Cause we're living and we're giving  
And we're bringing God's peace  
We are the movement we are Youth Alive  
So it's time to be letting and getting  
Bringing and living that Godly vibe

Gotta get that Godly vibe

Chorus:

Get a Godly vibe and dance to the music  
Time to re-revive the truth and we choose it  
Get a Godly vibe and dance to the music  
Get a Godly vibe  
(Repeat)

Verse 2:

Only if you pay the cost will you reach His lost  
Do you love Him "Yes" well then you must trust  
'Cause it's all about His heart  
And it's all about His truth  
The kingdom is inside each one of you  
We are the youth to set fire to this nation

Give yourself to Jesus  
You must know His salvation  
We are Youth Alive  
A call to this generation  
We are aliens in God  
We don't listen to the world's station  
Romans 12:2 transform your mind  
From side to side letting God invade  
And letting God abide

You gotta get that Godly vibe
