"Save Them"

Verse 1:

Lost, dark, hurting world
Yearning for answers
Left nowhere to turn
Seeking truth and peace
Wondering why they can't find these
Sin, sin

Verse 2:

Shattered hopes and failure
Filling their minds with
"You'll never do anything"
Drowning in despondency
Lost all their faith
Sinking down with their misery
Sin, sin

Chorus:

Lord save this broken humanity
Heal our land
Lord save this lost and dying world

Save them from going to hell

Verse 3:

Why Lord can't they see
You are the giver of life and great peace
Open blinded eyes
You are the reason why we can be set free
You, You

Bridge:

He's calling and crying
And begging you please
Come be My child
Spend eternity with Me
Leaving behind things of your past

Look unto Me and give Me your heart
