I've looked around
tried to find my soul mate
When I saw you
i knew you were the one

chorus:
But my dream was killed
When you took your mask away baby
every single day with you
was a lie

so we broke up
and my life was empty again
i still loved you
but you didn't care

chorus:
(...)

i went to LA
Trying to forget my pain
everything went ok
and now...

Bridge:
Let me tell you
Look at me now
i'm a new person
no longer your dog but...
other woman's man!

chorus:
(...)

bridge:
(...)
