Jasmin

i'll chesish you every night in my dreams

jasmin is my favorite girl

my favorite girl in the whole wide world

never will forget the day that she stole my heart away

now jasmin is my favorite girl

my favorite girl in the whole wide world

gotta let every body know that shes my favorite girl

its started on a friday afternoon

came to see a show after school

and as i rocked the crowd something made me look at

you

and ever since that day

since you walked away

ive completely changed

im rearranged

my life life is not the same

i dont know if i will ever be myself again jasmin

(chorus)

jasmin is my favorite girl

my favorite girl in the whole wide world

never will forget the way she stole my heart away

jasmin is my favorite girl

my favorite girl in the whole wide world

gotta let every body know that your my favorite girl

its been 27 days since she stole my heart away

and i dont know if we will ever meet once again

i tried to look you up through friends

all i got to was dead ends

i wonder where u live where you hang out and where

you've been

i dont know if i will ever see your face again jasmin

(chorus)

dont ya love her sweet smoke complection

smoothe skin she and me lives as a legend

i love the way she licks her lips and moves her hips  
baby got flash when i do backflips  
when im feelin down she listens and pays attention  
fills my heart with warmth and affection  
her smile changes my whole world  
yo jasmin dont ya know your my favorite girl

so crazy , crazy bout you  
girl you know i got the hots for you  
i. just .cant. help .my. self.
