Atlanta boogie!

Atlanta boogie, boogie woogie all night long

Atlanta boogie, boogie woogie all night long

Atlanta boogie, where the cats really come on strong

Well, the whole town's rockin' just about the break of
day

Well, the whole town's rockin' just about the break of
day

Well, when the bar starts jumpin' you can hear the cats
all say

Well, let's rock'n'roll, well, let's rock'n'roll

Yes, let's rock'n'roll, well, let's rock'n'roll

Yes, let's rock'n'roll till the break of day

Yes, Atlanta boogie, boogie woogie all night long

Well, Atlanta boogie, boogie woogie all night long

Yes, Atlanta boogie, where the cats really come on
strong

On West Harbor Street, well, on Decatur Street

On Auburn Avenue, well, there's no one blue

Yes, that's the place for you

Come on down, while we boogie woogie all night long

Well, Atlanta boogie, boogie woogie all night long

Well, Atlanta boogie, boogie woogie all night long

Well, Atlanta boogie where the cats really come on
strong
