Oh, yeah!
Girl I see you, and I need you
I'm looking for you baby, you're number one
Yeah I mean it, do you feel it?
It's like there ain't nobody in here but us!

Excuse me girl, but could I get any closer
Not tryna be the one about to blow your cover
Wanna be in your world,
So tell me what I gotta do, gotta do, oh

'Cause baby if it takes all night,
I'm taking you home oh, oh
And baby if it takes all night,
Up in this club oh, oh!
And I can't let it stop, stop
This feeling I've got, got
Is telling me you could, could be the one yeah!
So baby if it takes all night
I'm taking you home oh, oh

Just believe it, there ain't nothing
That'd have me walking out of here without you, no!
Yes, I'll be holding, I feel your loving
When the sun comes up I'll be winning with you, oh!

Excuse me girl, but could I get any closer
Not tryna be the one about to blow your cover
Wanna be in your world,
So tell me what I gotta do, gotta do, oh

'Cause baby if it takes all night,
I'm taking you home oh, oh
And baby if it takes all night,
Up in this club oh, oh!
And I can't let it stop, stop
This feeling I've got, got
Is telling me you could, could be the one yeah!
So baby if it takes all night
I'm taking you home oh, oh!

Ain't nobody gonna do you like I do
Girl, you know you're heading to the top
Now with me you'll be winning so good
I won't ever let it stop!
Not me, oh yeah!

'Cause baby if it takes all night,
I'm taking you home oh, oh
And baby if it takes all night,
Up in this club oh, oh!
And I can't let it stop, stop
This feeling I've got, got
Is telling me you could, could be the one yeah!
So baby if it takes all night
I'm taking you home oh, oh!
Oh, oh!
