So much for holding on
I'm the weak and you're the strong
I'm broken

In a box that's hard to sing
Things have changed but wasn't me
I'm still here

Do you think about or miss the little things
A simple kiss goodnight
All the things I know I left
If I wait right here will you come back to me?

An angel is what you were. Was I for you?
Or was I the rock that drug you to the bottom of the
ocean?

All the things we said we'd do
I'm losing touch
Now losing you
I need you
I know why He let us here
I always cry, can't you hear I love you?

An angel is what you were. Was I for you?
Or was I the rock that drug you to the bottom of the
ocean

Dancing along the line of wrong and right, we were
holding on to what we felt
I think of times when it was me and you against the
world
It was me and you

An angel is what you were. Was I for you?
Or was I the rock that drug you to the bottom of the
ocean?

An angel is what you were. Was I for you?
Or was I the rock that drug you to the bottom of the
ocean?

I miss youâ€¦
