Save me  
The skin that's stretched across your bones  
The scent that lacks the innocents I know  
Cold front coming, like blisters threw your pores  
Breathing you'll trust me darling  
I'm the sword inside your stone

The rest of your life  
May rest in my eyes  
Let me show you what it's like  
[x2]

Meet me at the skylines  
I'll wait for you to go  
I'll wait for you to go  
Meet me at the skylines  
I'll wait for you to go  
I'll wait for you

Save me  
The skin that's stretched across your bones  
The scent that lacks the innocents I know  
Cold front coming, like blisters threw your pores  
Breathing you'll trust me darling  
I'm the sword inside your stone

The rest of your life  
May rest in my eyes  
Let me show you what it's like  
The rest of your life

May rest in my eyes  
Let me show you what it's like  
Meet me at the skylines  
I'll wait for you to go  
I'll wait for you to go  
Meet me at the skylines  
I'll wait for you to go  
I'll wait for you

Meet me at the skylines

I'll wait for you  
Meet me at the skylines  
Meet me, meet me  
Meet me at the skylines  
Meet me at the skylines  
I'll wait for you

I don't think you know  
What these words mean  
I don't think you know  
What we could be  
But I will wait forever  
'cause I think you're the one

I don't think you know  
What these words mean  
I don't think you know  
What we could be  
But I will wait forever  
'cause I think you're the one

I don't think you know
