What if you could go back?  
What if you could go back?  
Erase me  
I'm a figment of imagination

I know you can hear me  
I know you can see me breathing

That place where I knew that I could find you  
I think I'll make a run for it  
And if I don't find you there  
I'll search forever

I don't see you upside down  
I'm outside of my body  
Oh my, why are you inside out?

That place where I knew that I could find you  
I think I'll make a run for it  
And if I don't find you there  
I'll search forever

And if I don't see you there  
I'll see you around
