Come tomorrow way down south in Santa Moray
- Ah-Ah-Ah -
Reunited with my love in Santa Moray
- Ah-Ah-Ah -
Scorching sun upon a beach near a canteen
- Ah-Ah-Ah -
Out of reach where there's no one can come between
us
- Ah-Ah-Ah -
Jesahel

La-la-la-la-la

Jesahel

La-la-la-la-la-la

Jesahel

La-la-la-la-la

Jesahel

Jesahel.

Will we both go home so we can be together

- Ah-Ah-Ah -

Really both go home to stay in love forever

- Ah-Ah-Ah -

There's a stardust past your eyes I see desire

- Ah-Ah-Ah -

Wind and rain can't stop the flame that starts a fire

- Ah-Ah-Ah -

Jesahel...
