there was a time not long ago when we'd get shit,
everywhere we'd go but times have changed and so
have we we're creeping up on society stop complaining
don't you know we've still got a long way to go you
gotta fight, fight, fight to unite you get discouraged,
about wasting time on a bunch of kids with simple
minds but kids can grow and minds get smart don't be
negative it's a start no one's forced you, you can leave
it's not impossible if you believe we've got to learn from
their mistakes not just fill up this vacated place now's
the time long ago it's time to prove this ain't no show
fight and lill and claw our way think we'll make a better
day use your minds that's what they're for don't waste
time trying to even the score
