You don't care about me anyway
It's so obvious to see
If you did then you would talk to me
Instead you throw me on the streets
You don't understand my life at all
(Fuck you!)
You forget you were a kid
(Fuck you!)
Tell me I am irresponsible
(Fuck you!)
I just take and never give
Scream and yell and hurt me
I can't take it anymore
It's not ok, you don't see
I'm not like you and I'll never be
You've never been there for me anyway
(Fuck you!)
Everybody knows it's true
(Fuck you!)
I haven't learned a single thing from you
(Fuck you!)
Except I'll never be like you
Scream and yell and threaten me
I can't take it anymore
It's not ok, you don't see
I'm not like you and I'll never be
It's your money, it's your house and it's your rules
You tell me all the time
If I live here I must do what you tell me to
Fuck you and all your bullshit, bye!
Do you wonder why I never cry
(Fuck you!)
When you beat me senselessly
(Fuck you!)
I won't leave you feeling satisfied
(Fuck you!)
You will never control me
(Fuck you!)
You don't understand my life at all
(Fuck you!)
I can't believe you were a kid
(Fuck you!)

Someone really fucked you up inside
(Fuck you!)
Must you take it out on me?
Scream and yell and threaten me
I can't take it anymore
It's not ok, you don't see
I'm not like you and I'll never be
Fuck you!
