

Slaughter Cryptic

"Rage To Kill"

A victim is chosen

His future awaits

Someone is watching

No one can tame

Satisfied hunger

Hatred within

Can't go on longer

Internal conflict

The psycho wants

Innocent blood

Kills without fear

Living a hell

Tortured by guilt

Outrage survives

Violence, his truth

Rage to kill

Blood will spill

Blinded sight

Lie from fright

With no compassion

Fear breeds his hate

Constantly watching
Deceiving the state
Threatened by no one
Too smart to get caught
Always remembers
The hatred he fought
He cried out for help
But nobody hears
He knows that he's insane
Reflecting his fears
Only a shotgun
Will answer his prayers
Attacking society
Because nobody cares
