"A Sign"

Your lips speak Italian,

Your eyes speak in tongues.

Are you like this with everyone?

I see your face at the window,

Light streaming behind.

Can I pawn my time'

I think it's a sign.

I think it's a sign.

I look in your eyes,

I don't think you'll mind,

I think it's a sign.

Your skin speaks in patterns,

Your eyes speak in codes.

Can I buy that load?

From her to the harbour there lies a whole ocean.

I can bide my time.
